

Lot of time went into foreclosure ordinance

To The Item Editor:

Did anyone bother to read the foreclosure ordinance? Just curious. There is no cost to the city I don't know if I am more upset about your total misrepresentation of the facts or your accusations of "grandstanding." I am sure you could care less but I have lost a lot of respect for your newspaper.

You don't know me and have no idea how much hard work went into this ordinance. I have always treated everyone at the Lynn Item with respect, have never dodged a reporter trying to do a story and I don't have a problem with disagreement over this or any issue. I do have a problem with dishonest journalism and plan to tell anyone who asks that I do not consider your newspaper a credible source of information any more.
