Join MAAPL and Retake Your Home!

- You have 20 years to **Reverse Your Foreclosure** and **Retake Your Home** or receive Full Restitution?
- *You must Act Now—by December 31st—to preserve your constitutional property rights!*

You must file at the Registry of Deeds because the industry got a bad law passed.

**If you were “foreclosed” before 2014, you only have
UNTIL DEC 31st, 2016 TO FILE**

To maintain your 20 year right to your home!

(If your foreclosure was *after 2014*, you will have three years to file.)

Make sure this new law and the banks NEVER take away your rights!
