

Did The Bank Take Your Home By Foreclosure?

Join MAAPL and Retake Your Home!

Did you know—

- **Most** foreclosures were **Illegal**.
- You have 20 years to **Reverse Your Foreclosure** and **Retake Your Home** or receive Full Restitution?
- **You Must Act Now** to *preserve your constitutional property rights!*

You must file at the Registry of Deeds because the industry got a bad law passed.

**If you were “foreclosed” before 2014, you only have
UNTIL FEB 23rd, 2017 to file
to maintain your 20 year right to your home!**

(If your foreclosure was *after 2014*, you will have three years to file. DONT MISS THIS if you were foreclosed by early 2014 – COME to this clinic!)

**Make sure this new law and the banks
NEVER take away your rights!**

MAAPL offers you **free** materials, support, information and guidance on some simple steps to protect your rights.

**Take the first step:
Thurs Jan. 19, 5pm-8pm
