SECTION 2. Chapter 40H of the General Laws, as appearing in the 2014 Official Edition, is hereby amended by inserting after section 4 the following section:

(f) When a mortgagor pays off a mortgage transferred to the Fund, the Fund shall provide a discharge of the mortgage, and record this at its expense within 30 days of payoff in the registry of deeds where the property lies.

(g) CEDAC shall appoint a director to administer the Fund through the corporation and under criteria that it shall establish promptly by regulation pursuant to this section.

(h) CEDAC shall ensure that the Fund is invested prudently.

(i) At the close of each fiscal year, the Fund shall determine the number of Eaton affidavits filed with each registry of deeds in the previous 5 calendar years.

(j) When the Fund totals for a county equal \$200,000 or greater, the CEDAC, in consultation with community agencies in the county, shall hold a hearing within that county for public input into the distribution of the funds within that county and the purposes, including affordable housing, for which they will be expended. Preference shall be given to regions or neighborhoods with the highest proportions of Eaton affidavits filed in the relevant registry of deeds during the previous 5 years. The Fund will be established in accordance with the requirements defined in subsection (a) of section 2A.

(m) The director of the Fund shall file an annual report on December 15 with the speaker of the house of

representatives, the president of the senate, the chairs of the house and senate committee on ways and means, the chairs of the joint committee on housing, and the chairs on the joint committee on community development and small business, chairs of the joint committee on insurance and financial services providing an accounting of the funds, including their regional distribution, the usage of those funds, a description of the respective projects' funding, and their impact on affordable housing and community development.
